The green space between Tranent Library & Lindores Drive

Tranent, EH33 1AJ

Parking

There is a car park beside the green space, another beside the library and a smaller one immediately outside the Fraser Centre. 90 minutes maximum stay may apply. Long-stay parking is available further along Lindores Drive at Foresters Park. There is also on-street parking with disabled parking bays nearby.

Public Transport

Lothian Buses, East Coast Buses and Prentice Coaches run buses to Tranent. We recommend Traveline Scotland for up-to-date information. It is only a few minutes' walk from the bus stops to the space.

Toilets

There are accessible toilets in The Fraser Centre.

Wheelchair Access

The green space has a wide path running through it. The Fraser Centre is a modern, accessible building.

Seating and Benches

There is no seating available in the space but our team will have a couple of folding chairs available. There is plenty of seating in the café area of The Fraser Centre.

Things to be aware of

- Wrap up warm for the weather. We'll have active games to keep warm and a tent for shelter. We also have spare jackets and gloves if you forget to bring yours or need an extra layer!
- The space is open to members of the public, who may have dogs with them.
- One edge of the space opens onto the road at Lindores Drive. Our activities will be based further up the space away from this road.
- There is a busy road between the green space and The Fraser Centre. Please be careful when crossing the road.
- The Fraser Centre café will be open. It is economically priced and has a nice range of drinks, snacks and meals. The café is open to the public.

PlayCan Resources

We will bring a range of resources including 'loose parts' play kit, percussion, pots & pans, large tent, shelter, tuff trays, chalk, parachute, sensory resources. Our team will be at the green space to welcome you, and to support and facilitate play!

WE WOULD LOVE FOR YOU TO...

Come along to play with your children and family.

Give us ideas to make things work better.

Give us feedback – what works? what doesn't?

Help us shape the next stages of the project!
